Meals on Wheels West is so grateful to those individuals who have made the decision to include Meals on Wheels West in their estate planning. It is wonderful that we share a common vision to promote independent living for people who are home-bound. Our home-delivered meals and daily Wellness Check promotes independence and overall well being allowing our 'shut-ins' to remain in their own homes rather than being relocated to an institution or nursing facility. Legacy Society gifts help sustain Meals on Wheels West. Your bequest will leave a Legacy for future generations.
